

Misson Primary School

You already have your wings, we will help you fly

Dear Parents,

In June, you may remember that year 1 and 2 entered 'The Big Bee Competition' run by BBC Radio 2. Unfortunately none of the children won! However, luckily for us the Bee Garden was built in the Crystal Centre (a centre for children's mental well-being) based at Tickhill Road Hospital, Doncaster.

I have been in touch with the centre and asked if it would be possible for us to visit the garden and maybe take things we have made to enhance it as well as seeing the winning design.

A visit has been organised for year 3 (last year's year 2) and year 2 (last year's year1) which will take place on Monday 11th October 9.30am - 11.30am .

We will be travelling by mini bus driven by Mr Birch.

The centre has asked for permission to take photos of our visit to use in their publications. If there are any parents who **do not** wish their child to be in the photo please contact Mrs Mitchell in the school office so the appropriate paperwork can be completed.

If you have any questions regarding any of the above please do not hesitate to contact me on Dojo or by calling 01302 710580.

Kind regards

Mrs Yeaman

Year 1/2 Teacher
