

Misson Primary School

You already have your wings, we will help you fly

Dear Parents and Carers

As a very busy first half term come to an end, I would like to thank you for your support in making the return to 'normal' school work so well. I am really pleased that already the children have attended off site visits for multi skills, rugby, and netball competitions. The Year 3, 4, and 5 residential visit to Austerfield also went fantastically well, and the children had a fun packed two days. In all of these events, the behaviour and conduct of our children has been praised by staff at the venues we have visited, which is lovely to hear.

Christmas Panto

Whilst we want to get back to normal in as many ways as we can, after much careful consideration, we have decided to move the performances of our school production to the summer term. This will help keep everyone COVID safe, just before the all important Christmas holidays, and reduces the possibility that a COVID outbreak will stop all of the children being able to take part. This is particularly important for Year 6 who will take the lead roles, and is seen as one of the highlights of Year 6.

Carol Singing

As we will not be performing a panto at Christmas, we thought it would be nice to put on a COVID safe outdoor carol singing event at school. This is due to take place on Thursday 9th December, with a reserve date of 15th December if the weather is bad on the 9th. Further details will be sent after the half term holiday.

Parent's evenings

Following the success of our online parent's evenings last year, we have decided to offer parents the choice of virtual or face to face meetings. To make sure the evenings go smoothly, we will be running face to face appointments on Wednesday 10th November, and online appointments Thursday 11th November. A letter explaining how to book appointments will be sent after half term.

Before & After School Clubs

Our before and after school clubs are busier than ever. This makes it really important to let us know if you no longer need a place that has been booked so we can give it to someone else.

Unfortunately, if we are not informed that you want to cancel a booking, we will have to charge for that session.

ParentPay

Please could you help Mrs Mitchell by paying for School meals, sports/craft clubs and breakfast & after school clubs in advance, so she does not have to spend time sending reminder messages.

Mrs Houghton Sponsored Run

Mrs Houghton has very kindly offered to help raise funds for Misson Primary School, and the school she works in, St Marys Tickhill. Her intention is to run 100 miles this month (to include the Yorkshire marathon and the Lincoln 10k as organised events) and her aim is to raise £1000 for the school leaders to choose to spend on their resource priorities. Mrs Houghton will divide donations to give half to Misson and half to St. Mary's. I hope that many of you will be able to support Mrs Houghton as she undertakes the challenge, and support the school in buying much needed resources.

Donations can be made at:

<https://www.justgiving.com/crowdfunding/charlotte-houghton-100>

Flue Vaccinations

Parents can now choose an injected flu vaccination for their child, instead of the normal nasal spray. A letter with detail has been put on the website today.

List of Dates

Please check the letters page of the website for a list of dates for the coming year. These dates will also be added to the calendar at the bottom of the home page of our website.

Wishing you a good half term break

John Birch
