

Misson Primary School

You already have your wings, we will help you fly

Friday 17th December 2021

Dear Parents / Carers,

Next half term, Year 3 and 4 will be starting an exciting new topic all about the Romans! To complement their learning, we have organised for the Royal Armouries to do a live stream session called 'Roman Rule' with the children. This will take place at school on Wednesday 9th February 2022.

Pupils will be put through their paces by the Royal Armouries' resident centurion, learning the tactics, weapons and armour of the Roman army. They will then take part in an interactive storytelling session with an Iceni Warrior, learning all about Boudicca's Revolt before having the chance to ask the characters any questions they want! The workshop encourages active participation, getting the pupils up out of their chairs doing war cries, and actions to keep them engaged throughout.

We are asking for a voluntary contribution of £3 per pupil to put towards the cost of this experience. This will be available to pay through ParentPay.

Due to the experience being a live stream, can I please ask that you also complete the online consent form so that the Royal Armouries team are able to see your child via Zoom. This can be accessed via ParentPay and will enable your child to have the best experience possible during these ever changing times.

Thank you for your continued support,

Mrs Tanner
