

W/c Monday 10th January 2022

Hello,

Sorry to hear that you will not be in school this week. I hope you feel ok. If you are not too ill I have listed below different things you could do at home this week.

Watch the story of Day Monkey, Night Monkey by Julia Donaldson on Youtube. Discuss the differences between what happens in the day and the night. We will be reading this story in school and talking about shadows. You could use torches to create shadows of yourself, others or objects, draw around them in chalk or take photographs of your shadows.

Handwriting - Practise writing your name and forming letters correctly. Follow the arrow.

PHONICS
