Year 5/6 Parents

Dear Parents

Over the coming weeks, I will be talking to all our Year 6 pupils about puberty and showing them a DVD called 'Living and Growing' from Channel 4. I will notify you of the specific day that the sessions will be happening through dojo.

The topics covered in the Year 5/6 part of the programme are:
How babies are made; How babies are born; Girl talk and; Boy talk.

Parents do have the right to withdraw their children from this session should they wish. Should you have any concerns or wish to see the materials that will be used, please get in touch with me through the office.

Yours sincerely

Mr Jones
