Dear Parents & Carers

Re: Year 4/5 Residential Trip to Castleton

Following the disruption to our normal schedule of residentials, we have been able to arrange a further residential this year so that children in Years 4 & 5 do not miss out. We have booked a three day/two nights residential trip for Year 4 and 5 children from Monday 18th July to Wednesday 20th July 2022. We shall be staying in a fully catered Youth Hostel in Castleton, Derbyshire.

An outline of the activities we will be taking part in and a clothing list will be issued nearer the time, when we will hold a meeting for parents.

Mr Roberts, Mr Birch, and Mrs Hardman will be accompanying the children on the visit this year. During their time at Castleton the children will take part in a full programme of activities, in and around the hostel.

The cost of the visit will be £155 to include transport, accommodation, food and activities. Given the short notice of this visit, payments can be made in instalments up to 30th September 2022. The visit will be added to ParentPay by the end of today.

If there is anything you wish to discuss, please don't hesitate to contact us.

Yours sincerely

Mr Birch & Mr Roberts
