

Misson Primary School

You already have your wings, we will help you fly

Dear Year 4 & 5 Parents

I am writing to let you know that I have been in touch with the Youth Hostel at Castleton regarding the hot weather that is expected in the first half of next week. I am reassured that the hostel are taking the situation seriously, and have reviewed the planned activities to ensure the children have a safe and enjoyable time.

This means that some activities may take place in different locations, which offer more shade, or there may be extra rest breaks and opportunities to fill water bottles. Some activities may be moved to a different time of the day, or may be substituted for a different activity that will be less effected by sun or heat.

The weather situation will be kept under constant review, and changes made to activities as needed so they are appropriate to the conditions.

Please can you make sure that your child has the following:

Sun Hat
Sunscreen
Two Water Bottles

I am looking forward to us all having a great residential next week.

Kind regards

John Birch
