You already have your wings, we will help you fly

Dear Parents and Carers

After a very eventful year that started with COVID restrictions, and ended with the hottest UK temperatures on record, I am sure we are all looking forward to a well earned break. Thank you for all your fantastic support and patience this year through these, and other challenges.

It has been great to finally put on a school performance, and I am sure you will all agree that it was a spectacular event. I hope you all have a fantastic summer holiday and look forward to seeing you in September.

Last day arrangements

As has become tradition on the last day of the summer term, the kitchen will be serving up a seaside treat of fish and chips. Now COVID rules are behind us, we are pleased that we can allow children to bring in toys and games this year.

Reminders

Uniform – Only Items of uniform with the new school logo can be worn from September, logoed items are optional for all pieces of uniform except PE tops which must have the school logo to identify our children when competing with other schools. Further detail of our uniform are available on the website.

Contact details – Please make sure you keep your contact details up to date, these include mobile phone numbers and email address. We have had some parents missing important information because we did not have their correct details. If any contact information has changed please let the office know as soon as possible.

Breakfast and After School Clubs – To enable our successful clubs to continue to run smoothly, please could all parents and carers make sure they give 24 hours' notice to cancel a pre booked place otherwise your ParentPay account will be charged. Can you also make sure places are paid for in advance.

Children having packed lunches – Please can you ensure that your child does not bring nuts, or food containing nuts into school, as we have several children with severe allergies to them. Could you also make sure your child has a drink and any cutlery they need to eat their packed lunch.

Parents and children will once again be able to enter and exit via the KS2 gate in the way they did before the building work started, but please ensure the children stay off the areas of soil whilst we are waiting for them to be turfed. Parents and children are also reminded that no ball games are allowed before and after school, for the safety of others using the playground.
