

Misson Primary School

You already have your wings, we will help you fly

Dear Parents and Carers

As our first half term come to a very wet and windy end, I would like to say how pleased I am that Misson Pre School have made a very successful transition to Misson Primary School, and that they now very much part of our family. We have had two important visitors from the Local Education Authority, and both have commented on how well the move has gone, and how well the children are being taught and supported by such kind caring staff.

I would like to say a big thank you to all the Pre School staff, Mrs Yeaman and Mrs Baines for the work they did getting things ready over the summer holiday, their efforts have certainly paid off. We are also grateful to the local trades who did a fantastic job of remodelling the school at short notice to accommodate Pre School children.

Mrs Jones

I am sad to inform you that Mrs Jones will be leaving her job as Teaching Assistant in our reception and year 1/2 classes at the end of this half term. Mrs Jones has made a fantastic and enthusiastic contribution to the reception and year 1/2 classes, and the wider school, and we will miss having her working with us. I am sure you will all want to join with us in wishing Mrs Jones well in her future endeavours.

We will be recruiting Mrs Jones replacement in November, but in the meantime, we are really pleased to inform you that Mrs Whiteside will be covering her duties. Mrs Whiteside has been working as a Midday supervisor and supporting year 3/4 when they go swimming and knows the children in reception and year 1/2 very well.

Nativity & Carol Singing

Now that Misson Pre School have joined us, we will be putting on a Christmas Nativity involving children from Pre School and the Reception class for the first time in many years. This will take place in the school hall on the morning of 14th December after the children have dropped off to their classes.

We will also be singing carol round the tree on 19th December this event is for all children, their friends, family and members of the Misson community. Further details of these events will be sent nearer the time

Parent's evenings

The continuing success of our online parent's evenings in previous years, we will be offering parents the choice of virtual or face to face meetings. To make sure the evenings go smoothly, we will be running face to face appointments on Tuesday 14th November, and online appointments Wednesday 15th November. A letter explaining how to book appointments will be sent after half term.

Before & After School Clubs

Our before and after school clubs are busier than ever. This makes it really important to let us know if you no longer need a place that has been booked so we can give it to someone else.

Unfortunately, if we are not informed that you want to cancel a booking, we will have to charge for that session.

ParentPay

Please could you help Mrs Mitchell by paying for School meals, sports/craft clubs and breakfast & after school clubs in advance, so she does not have to spend time sending reminder messages.

List of Dates

Please check the letters page of the website for a list of dates for the coming year. These dates will also be added to the calendar at the bottom of the home page of our website.

Wishing you a good half term break

John Birch
