

Misson Primary School

You already have your wings, we will help you fly

To All Our Parents and Guardians

Re: Mr Hocking

It is with great sadness we announce that Mr Hocking will be leaving Misson Primary at the end of May. He has been part of our school's family since 2010 and I think you will all agree, over the years Mr Hocking has run our Breakfast and After School Clubs to perfection. He has certainly made our wrap around childcare provisions a wonderful place to be.

I am sure you will all join me in wishing him and his family the best of luck as they relocate in pastures new.

Moving forward, from this week Mrs Holdsworth has returned to our Breakfast Club and Miss Whiteside will be stepping into the role of After School Club supervisor. We are very excited to see what the future holds throughout the summer term, as we introduce new activities after school. More details will follow very soon.

Kind regards

Mrs Mitchell

Office Manager
