

Misson Primary School

You already have your wings, we will help you fly

Dear Parents and Guardians

Re: Young Voices 2025

We are very excited to announce that we will be attending Young Voices on the 27th January 2025, at the Utilita Arena in Sheffield. We are inviting all of KS2 to attend, with a handful of eager year 2 children. I hope every child will join us in what I can only describe, from personal experience, an opportunity not to be missed. The event is nothing other than spectacular, for both children and adults, and the evening is one the children will never forget.

We will be travelling by Kettlewells coaches, leaving school at approximately 11.30 for an afternoon of rehearsals with the other 5000 children that will be singing in the YV choir. The show will take place in the evening and we should be back at school approximately 10.30. Due to the late evening, a staggered start will be operated for all attendees on the following school day. More specific details will be provided closer to the time.

School will be funding a majority of the cost, but with the cost of transport being extremely high, any financial contribution would be greatly appreciated. A payment item is currently on ParentPay if you would like to contribute. Any amount will be greatly received.

Young Voices T-shirts for the event are optional to buy for your child. They are white with the YV logo on the front. These are available to buy from the Young Voices Music Room, along with the parent tickets to watch the show. We would strongly recommend you attend the performance as the sight of between 5000 - 7000 children all singing the same song with the same dance moves is nothing less than breath-taking. For safeguarding reasons, you will not have any contact with your child at any point throughout the evening, they will be looked after by the school staff for the whole event.

If you would like to purchase tickets for the concert (we strongly advice you do this quickly as our evening is selling fast) please follow the link below. The T-shirts are also available, along with the songs we will be singing and, of course, the dance moves.

I for one can not wait and we hope to see as many of you there as possible, supporting the children of Misson Primary School.

If you have any questions at this stage, please do not hesitate to contact me or you child's class teacher. We will try our best to answer any queries.

Kind regards

Mrs Mitchell

Office Manager
